ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
PETITION NO. 83-705 (LA PRESA AVENUE), SAN GABRIEL AREA
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed Engineer's Report, either as filed or as modified, regarding annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessments within the annexed territory for street lighting purposes.
2. Adopt the enclosed Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2007-08. A copy of the diagram showing the proposed annexation territory is enclosed.

3. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territory for street lighting purposes, with a base-assessment rate of \$5 for a single-family residence within the Unincorporated Zone of County Lighting District LLA-1 for Fiscal Year 2007-08.
4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for _____. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Order changes, if needed, in any of the matters provided in the Engineer's Report, including changes in the improvements, the proposed diagrams, or the proposed assessments.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessments.
3. Determine whether a majority protest against the proposed annexation or assessments exists.
4. If there is no majority protest against the proposed annexation or assessments, adopt the enclosed Resolution Ordering Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territory for Fiscal Year 2007-08, either as proposed or as modified by your Board, and the enclosed Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from Annexation of Petition No. 83-705 to County Lighting Maintenance District 1687.

5. Find that the annexation and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the areas proposed for annexation, and exempt from the requirements under the California Environmental Quality Act.
6. Instruct the Executive Officer of the Board to file copies of the Resolution Ordering Annexation and the Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.
7. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings if the proposed annexation and levying of assessments have been rejected as a result of a majority protest, and refer the matter back to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to annex the territory known as Petition No. 83-705 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levy assessments for Fiscal Year 2007-08 on the benefitted properties within the annexed territory for street lighting purposes.

It is also necessary for your Board to approve the enclosed Joint Resolution pursuant to Section 99.01 of the Revenue and Taxation Code in order to proceed with the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. The respective governing bodies of the other affected taxing entities have also adopted the Joint Resolution.

Your Board previously approved and filed Petition No. 83-705, and adopted a Resolution Initiating Proceedings to annex the territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and ordered Public Works to prepare and file an Engineer's Report for the Petitioned area.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levying of assessments, and property tax transfers will provide the funding necessary for the operation and maintenance of new street lighting facilities within the annexed territory.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2006-07 budget for County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone to fund the estimated annual cost of \$512 for operation and maintenance of the four street lights on wood poles proposed within the petitioned area should operating, maintenance, and energy charges be incurred prior to the end of Fiscal Year 2006-07.

In Fiscal Year 2007-08, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by a portion of the Lighting District's share of ad valorem property taxes, supplemented by assessments annually approved by your Board. The annexation will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, County Library, Road District No. 5, County Fire Department, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and assessments.

Under Proposition 218 (California Constitution, Article XIID), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of the ballots returned are in favor of the assessment.

Affected agencies must approve and accept the exchange of property tax revenues pursuant to Section 99.01 of the Revenue and Taxation Code by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. The Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues approved by nonexempt taxing agencies are enclosed for your consideration.

A legal description and diagram identifying the boundary of the proposed annexation area have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code and are on file with Public Works. A copy of a diagram showing the boundary of the proposed annexation area is attached to the enclosed Engineer's Report prepared for the Petitioned area.

Following your Board's approval of the annexation, levying of assessments, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

**COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
PETITION NO. 83-705**

The Board of Supervisors of the County of Los Angeles previously adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining four street lights on existing wood poles with overhead wiring within the annexed territory, as shown on the diagram, plans and specifications attached hereto. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. This Report was prepared in response to that directive.

The annual operating cost of \$512 for the four high pressure sodium vapor street lights will be funded by County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, will be added to the Fiscal Year 2007-08 tax bill of property owners whose parcels lie within the annexed area and parcel identification numbers are identified in Appendix A, included herein. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (California Constitution, Article XIID) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIID of the California Constitution. This Report conforms with the applicable provisions of Proposition 218.

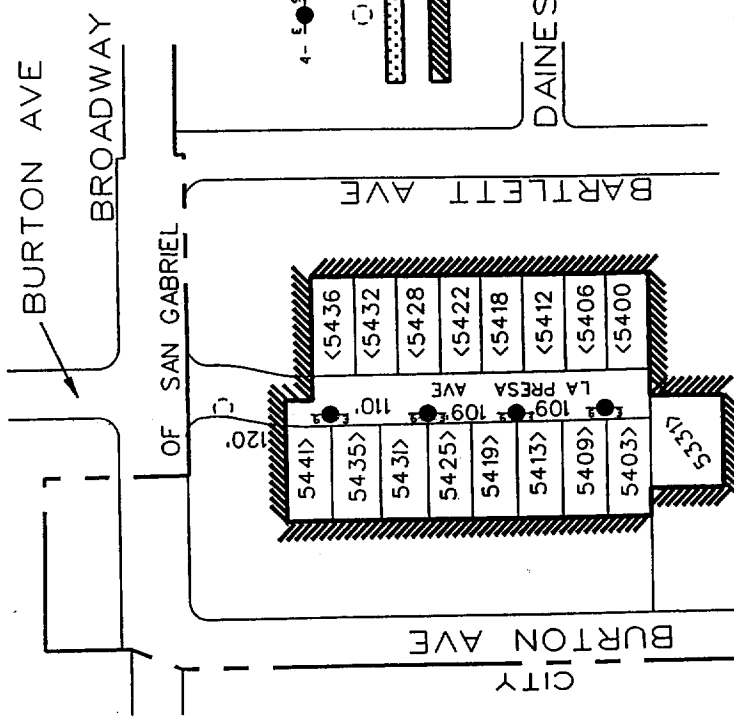

County Lighting Maintenance District 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIII A, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment were not sufficient to pay the cost of street lighting in the District. Therefore, County Lighting District LLA-1 was formed under the Landscaping and Lighting Act of 1972 to provide supplemental funding.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefitted property within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land

use and utilizing land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2006-07 Annual Engineer's Report, which lists the base-rate assessment for all zones within County Lighting District LLA-1 and the total assessment amount to be collected from benefitted parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install four street lights in the designated area, as requested by the signers of Petition No. 83-705, and to provide for their operation and maintenance.

FOR 9,500 LUMEN LAMPS, THE POLES SPACING IS BASED ON 1.4 FOOTCANDLES FOR "LOCAL RESIDENTIAL" STREETS. THE LUMINAIRE SHALL HAVE A 25 FOOT MOUNTING HEIGHT, SHALL BE (A.N.S.I.-I.E.S.) FULL-CUTOFF (FLAT GLASS), TYPE III, AND EQUIPPED WITH A 100 WATT HIGH PRESSURE SODIUM VAPOR LAMP.

GENERAL NOTES

1. ALL MAST ARMS AND BRACKETS SHALL BE PERPENDICULAR TO THE CURB FACE AND 4 FEET LONG UNLESS OTHERWISE SPECIFIED.
2. ALL STREET LIGHT WIRING SHALL BE OVERHEAD.

WITHIN THE ANNEXED TERRITORY FOR FISCAL YEAR 2007-08
PETITION NO. 83-705**

WHEREAS, the Board of Supervisors of the County of Los Angeles previously approved and filed Petition No. 83-705 requesting annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone to provide for the installation, operation, and maintenance of a street lighting system in County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone; and

WHEREAS, the Board of Supervisors on _____, has approved the Engineer's Report for said territory, which contains a description of the improvements, estimated operating costs, diagram of the territory to be annexed, and recommended assessments as required by law.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the benefitted territory hereinafter described, all of which territory lies in the County of Los Angeles, be annexed to County Lighting Maintenance District 1687, pursuant to Section 5837 et seq. of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors, to order said benefitted territory be annexed to County Lighting District LLA-1, Unincorporated Zone, pursuant to Section 22605 et seq. of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of a street lighting system consisting of four street lights on existing wood poles with overhead wiring for Petition No. 83-705, shall be assessed in Fiscal Year 2007-08 upon the lot or parcel of land lying within the annexed territory in proportion to the estimated benefit received from the proposed street lighting improvements and which should be assessed to pay the expenses of the operation and maintenance of said improvements. An Annual

Engineer's Report, approved by your Board each fiscal year, establishes the annual base-rate assessment for all zones within County Lighting District LLA-1. For Fiscal Year 2007-08, the annual base-rate assessment for County Lighting District LLA-1, Unincorporated Zone is estimated to be \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. This annual assessment for the operation and maintenance of street lights will be added to the property tax bill of benefitted parcels within the boundary of County Lighting District LLA-1, Unincorporated Zone. Each year thereafter, an assessment for operation and maintenance costs, approved by the Board, will be added to the property tax bill.

SECTION 4. That the boundary of the territory proposed to be so annexed consists of the area shown on the enclosed map.

SECTION 5. The proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the area proposed for annexation at least 45 days in advance of the public hearing, in the form and manner specified by Section 53753 of the Government Code. The ballots will be weighted by the amount of assessment to be paid by each property owner. The territory will not be annexed, and the proposed assessment will be abandoned if the weighted majority of ballots submitted are opposed to the assessment.

SECTION 6. That the amounts to be assessed for the expense of such installation, operation, and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article XIID of the California Constitution.

SECTION 8. A public hearing will be held by the Board of Supervisors to consider the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and the levying of assessments within the territory proposed to be annexed. Said hearing will be held on Tuesday, _____, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

SECTION 9. The Executive Officer of the Board of Supervisors shall give notice of the public hearing, in the form and manner specified in Section 5838 of the Streets and Highways Code, to be published once a week for two successive weeks in the _____, a newspaper published and circulated in the County of Los Angeles, which is hereby designated for that purpose. Such publication to be completed at least 10 days prior to the date of said hearing.

SECTION 10. The Executive Officer of the Board of Supervisors shall cause notice of said hearing to be posted in the form and manner specified by Section 5838 of the Streets and Highways Code, at least 10 days prior to date of hearing.

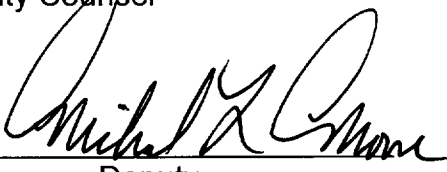

The foregoing Resolution was on the ____ day of _____, 2006,

**NOTICE OF PUBLIC HEARING
OF THE BOARD OF SUPERVISORS
TO CONSIDER ANNEXATION OF TERRITORY TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE
PETITION NO. 83-705**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 83-705 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone (Lighting Districts). Said hearing will be held on Tuesday, _____, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below, is proposed for annexation to the Lighting Districts and for the collection of assessment revenues to pay for the operation and maintenance. The proposed annual street lighting assessment is \$5 for a single-family home, with proportionately higher rates for other land uses.

- Petition No. 83-705: La Presa Avenue south of Broadway in the San Gabriel area.

The levying of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996) which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexation at anytime prior to the conclusion of the public hearing, and/or voice your protest in person at the hearing. However, a protest to the proposed assessment is not a substitute for a ballot cast against it, and will not be counted as a ballot. The written protest must identify the property owned and must state all grounds for objection.

The protest may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation. If you wish to file a written protest, you may address it in writing to:

Board of Supervisors of the
County of Los Angeles

The Engineer's Report for Petition No. 83-705 is on file and available for public review in the Executive Office of the Board of Supervisors, Room 383B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

If you have any comments about the proposed annexation, you may address them in writing to the County of Los Angeles Department of Public Works, Attention Mr. Joaquin Herrera, Traffic and Lighting Division, P.O. Box 1460, Alhambra, California 91802-1460. In your letter, please include your name, address, and parcel identification number as they appear on your property tax bill.
